ALTONA STUDENT MEMBER OF STATE ATHLETIC TEAM

Fifteen-year-old Altona North High student, Julie Robertson, has been selected as a member of the Victorian State team to contest the Australian Athletic Championships at North Hobart Oval from March 1 to March 6.

The Victorian Women's Amateur Athletic Association has named a team of 17 athletes—10 juniors and seven seniors. Julie will compete in both the open and junior high jump events.

Last month with a jump of 5ft. 1in. she won the Victorian junior high jump title. She was third in the open event.

Each year as Julie has progressed through the age groups of the school titles, she has broken the previous records.

She holds the records in the all-High Schools' Championships for the under 16, under 15, under 14 and under 13 events.

Julie, who will be studying this year at Altona North High for her leaving certificate, is the younger daughter of Mr. and Mrs. W. L. Robertson, of Laurie Street, West Newport.

A.P.C. Maintenance

The Altona Petrochemical Company has announced that during the period February 13 to February 16, certain equipment will be shut down for inspection, cleaning and repairs.

Annual inspection of pressure equipment is required by government regulations.

Before the equipment can be safely opened it is necessary to burn the contained gases in the flare system. This is also necessary for a period when the plant is resuming operations after the mechanical work is completed.

Throughout these periods, every effort will be made to keep flaring to a minimum to avoid unnecessary inconvenience to the community.

In State Team For Australian Titles

Altona Kindergarten Director, Mrs. Frieda Spacek, is one of the eight members in the Victorian team which will compete in the Australian Synchronised Swimming Championships at Sydney over this weekend.

Mrs. Spacek is a resident of Werribee and has been director of the Blyth Street Kindergarten in 1963, 1966 and again this year.

She is a member of the Broadmeadows Swimming Club, but since being chosen in the team has been practising each morning for the past six weeks at the Olympic Pool at 6.30 a.m.

Mrs. Spacek first began synchronised swimming in her country of origin, Austria, in 1957. On her arrival in Australia in 1960 she joined the Melbourne Synchronised Swimming Club.

She was a member of the team which demonstrated synchronised swimming at the Commonwealth Games in Perth in 1962. Competitive synchronised swimming in Australia was only introduced three years ago.

Prior to taking up this type of swimming Mrs. Spacek swam competitively for eight years in freestyle events. She represented Austria on a number of occasions in competitions with other European companies.

More Classrooms For Laverton

The Laverton Armstrong St. primary school is in the absurd position that soon it will have as many portable classrooms located in the school grounds as it has permanent classrooms in the school building proper.

Last Tuesday approximately 1100 pupils enrolled at this school which has only 14 permanent classrooms.

Already 12 portable rooms are in position and another two are expected.

Staffing at the school is satisfactory, but details of class sizes are not yet available.

About 200 of the pupils are beginners.

Work has not started on the new school which will relieve the situation at Armstrong Street.

The Laverton Epsom Street school reports that accommodation and staffing are adequate. Total enrolment of approximately 180 includes 35 beginners.

Several of the classes have more than 40 pupils.

SCHOOL STAFFING AND ACCOMODATION ADEQUATE

All Altona primary schools reported satisfactory staffing at the opening of the school year last Tuesday and most have adequate accommodation.

The exception is Altona West, which has been promised a portable classroom to ease the overcrowded conditions at the school.

Three classes (Grades 1 and 2) each have more than 50 pupils and the two beginners classes will have about 46 youngsters in each.

If the portable classroom arrives the three Grades 1 and 2 will be divided into four classes.

Otherwise class sizes are generally satisfactory.

Each school has a few classes of more than 40 pupils, but one head master considers this is to be expected in a progressive area.

As yet it is too early to obtain final enrolment figures, but head masters have supplied the following approximate totals and class size details—

ALTONA PRIMARY, Blyth Street—enrolment 740, including 140 beginners. The largest class has 48 pupils and the average is 40.

ALTONA WEST—525 pupils (90 beginners). Three classes of more than 50 pupils.

SEAHOLME—460 pupils (80 beginners). Four classes of over 40 pupils.

ALTONA EAST—770 pupils (135 beginners). Few classes of more than 40 pupils.

ALTONA NORTH—720 pupils (100 beginners). About six classes over 40 pupils.

BROOKLYN WEST—500 pupils. No report from ST. MARY'S was available.

SMALLPOX VACCINATION

Smallpox vaccination on infants from three months to two years will be conducted at the Civic Hall, Civic Parade, Altona, tomorrow, Friday, February 10, at 1.30 p.m.

No appointments are necessary.

Local Candidates for State Elections

The Premier has announced that the elections for both the Legislative Assembly and Council will be held on April 29 of this year.

Under the redistribution of Assembly Electorates which comes into force at this election, Altona is split between three—Williamstown and two new seats, Sunshine and Gisborne.

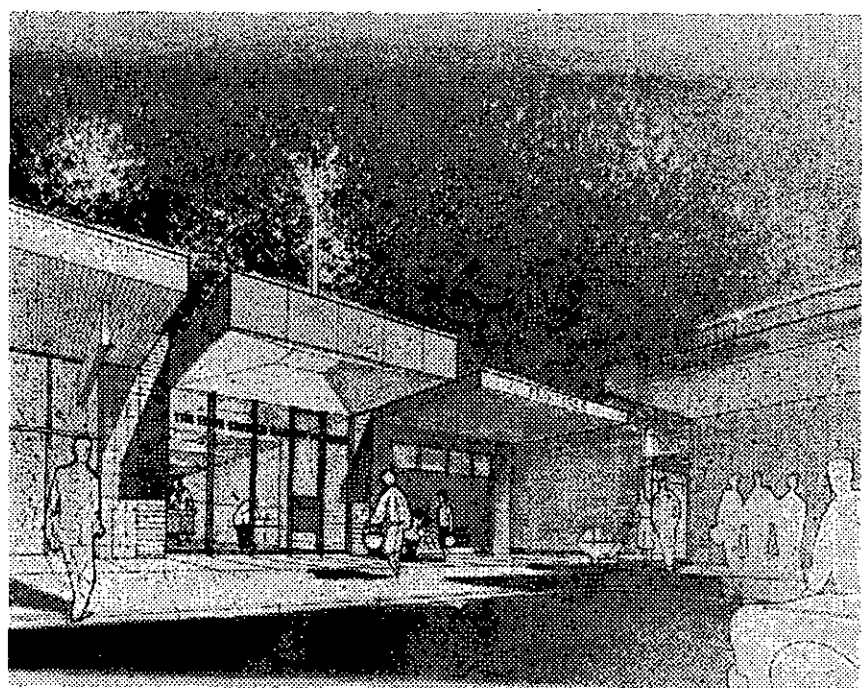

In the past Altona was part of the Grant Electorate which for many years was represented by the late Mr. Roy Crick and for the past few months by Altona's Cr. J. J. Ginifer. Grant goes out of existence in April.

For the forthcoming elections Cr. Ginifer has been endorsed as the A.L.P. candidate for another new seat, Deer Park.

A number of candidates already endorsed for the three seats affecting Altona include a local resident, Mr. John Bacon, of Rose Street, who is the endorsed D.L.P. candidate for Williamstown.

Candidates already endorsed for the elections are—**WILLIAMSTOWN**: W. L. Floyd (present member for Williams-

State Bank Opens at Altona North

The State Savings Bank of Victoria opened a new branch at Borrack Square, Altona North, last Monday, February 6.

The branch has a narrow frontage (see sketch above) and Architect, Keith Reid, has achieved the effect of light and space by vaulting the ceiling of the banking chamber and placing skydomes at the apex of each vault.

Internally the branch provides accommodation for up to three tellers, the manager's office and strong room on the main floor level with the staff amenities and records' sections upstairs.

The branch offers full savings facilities and is the bank's fourth branch in the Altona area.

Its opening emphasises the bank's policy of providing a needed service in developing areas.

LOCAL MANAGER

Mr. Frank R. Mallett, who has lived at Altona for the past six years, has been appointed manager of the branch.

Apart from living in the district, Mr. Mallett was also on the staff of the main Altona branch for four or five years some time ago.

During the Second World War Mr. Mallett served with the Navy for five years, mainly in the islands to the north of Australia. He has still retained a love of the sea, but nowadays most of his sailing is done as a yachtsman with the Altona Yacht Club, where he is on the sailing committee.

Mr. Mallett's two teenage sons share his enthusiasm for this sport and they usually crew for him in his races.

Mr. Mallett's three children all attend local schools and his wife is a member of the Altona Beta Sigma Phi.

Apart from his yachting, his other spare time interests are leather carving and oil painting.

GOODS AWAIT OWNERS

The Altona police are anxious to find owners for the following items—brown and white cowhide purse, portable international tape recorder, tan and grey purse containing sum of money, bracelet inscribed "Alan" and a floral purse containing money.

Former Residents in Bush Fire Area

Two former well-known Altona residents who moved to Tasmania live in the bush fire disaster area around Hobart.

With his family the Rev. John Baillie, of the Presbyterian Church, lives at Glenorchy and Mr. Norm Trickey, his wife and two children, in the suburb of Howrah.

Both these are fire endangered areas and at the time of going to press it had not been learnt how they fared.

COUNCIL RESUMES NEXT MONDAY

The first ordinary Altona Shire Council meeting for 1967 will be held in the council chamber on Monday evening, February 13, at 8 p.m.

Accommodation is provided for any interested ratepayers.

In view of the importance of these meetings a good attendance at this and future meetings is desirable.

Little Theatre Goes Into Recess

The Williamstown Little Theatre is going into recess for the rest of the year.

During this time discussions will be held on its future and a new home will be sought for shows.

Its former home, the Williamstown Mechanics' Institute, has been closed for over 12 months.

To keep members of the group together a "club night" will be held each Wednesday night at the Mechanics' Cottage. Interested persons are invited to attend these meetings.

WOMAN DRIVER WAS FRIGHTENED

A woman driver, Dorothy Adams of Hobson Street, Altona East, told the Williamstown Court last week that she thought she was being followed by men in another car and "went for home."

Her speed in Melbourne Road on Wednesday, October 26, was checked at a steady 46 m.p.h. by Constable Jim Daly.

After hearing the explanation the court imposed a lower fine than usual, \$8.

EDITORIAL

THE NEW SCHOOL YEAR

On Tuesday and Wednesday of this week Altona primary and secondary schools re-opened.

There are the usual problems of staffing, enrolments and accommodation.

These will be overcome.

Altona children will be able to attend efficient, modern schools with adequate, or at least, reasonable teaching staffs. Behind each school also are local committees and mothers' clubs who will assist the schools in the notable manner of the past.

Two other things only are needed.

A great measure of unselfish dedication by teachers and an intelligent and constructive interest by parents in the school life of their children. As to the first we have little fear.

If the old and new members of the various teaching staffs carry on the tradition so worthily set by their predecessors all will be well.

Parents also do feel an interest in the welfare of their children, even if they show it so occasionally. When vital interests are at stake they will act (as in last year's proposals to demote local high school standards). Equally important is a sustained interest in the work-a-day life of the school.

Well will it be if teachers and parents each in their own sphere do their utmost to lead the scholars-children in steps toward a fuller and happy life.

WHAT'S BITING?

The winner of the freshwater competition was Geoff Ewen, 103 Pier Street, Altona, who weighed in a five pound trout which he caught at Lake Eucumbene two weeks ago.

Geoff's prize for the competition was 500 yards of nylon fishing line which was donated by Ken Kim's Pier Street Sports Store.

A 53lb. kingfisher landed by Tom Harrington, of Railway St., Altona, at Apollo Bay during the Christmas holidays, was one of the biggest species of fish landed at the Bay for some time.

At the time he was surf-fishing and using a 1/0 hook and a line of 18lb. breaking strain. It took Tom half an hour to reel in the fish.

The next week he caught another good-sized kingfisher—22lb. this time.

Local spearfisherman John Bacon, of 50 Rose Street, Altona, speared a huge rock ling off Seaholme last Monday. The ling tipped the scales at 7½lb.

Wally King and Alan Howie, who brought plenty of good snapper in early in the season, had a good weekend. On Friday they came in with one weighing 12 to 17lb. and on the Saturday another five from four to 15lb.

Sid Burgess, of 52 Civic Parade, also had a good weekend. On the Friday he boated a 5lb. snapper and also struck a lucky patch of rock cod, filling his basket with about 18 of these fish. Sid followed his good Friday catch with nine snapper on the Saturday averaging 8lb.

If anyone sees Bill Smith, of 18 Queen Street, looking a bit sore and stiff it is the result of the two big stingrays he has caught in the last two weeks.

The first one Bill brought ashore is quite a story in itself and started when Bill saw something black bobbing in the water near his boat. He picked the object up and found it was a speargun with something heavy on the end. Suddenly his boat started to be towed out to sea, so Bill tucked the gun under the back seat of his boat and rowed as fast as he could to shore. When ashore he proceeded to pull the spear line in and

after much effort, brought into shore a 200lb. stingray still securely held by the spear.

Then again last Monday night Bill hooked another big stingray (by himself this time) and after quite a long and tiresome fight brought a 150lb. stingray to the surface.

Fishing in another boat next to Bill the same night Hans Helldemann also caught something big but unfortunately it was Whiting over Christmas when he out to be a spearfisherman.

Local professional Ken Wise reports mixed success over the last few weeks with some good whiting catches, a few snapper but very few flathead. Ken had a good haul of King George Whiting over Christmas and he hooked 50 good-sized ones on the grassbeds off Seaholme.

A snapper weighing 20lb., an eagle ray measuring 3ft. across were also brought home by Ken last week.

Small barracouta in shoals of hundreds have been quite annoying to some of the parties of fishermen Ken has been taking out.

Frank Keeshan, of Linnet St., brought home a 6lb. snapper plus a bag of size fish last Sunday night.

Unfortunately Frank could only take half the credit for the fish as the fish took Frank's bait then the bait of his fishing mate and after giving them both a fight was brought quickly into the boat.

Sundays to be Fight Night at Newport

Commencing on Sunday, February 19, regular boxing and wrestling programs will be conducted at the Plaza Theatre, Melbourne Road, Newport.

Star of the first bill will be Australia's current Bantamweight Champion, Lionel Rose, who will fight a three round exhibition with Jimmy Bell, a featherweight from Scotland who will be making his debut in Australia.

Bell (real name Jimmy Nichol) trains under Jack Rennie at Essendon and is still an amateur.

Mr. Frank Cinquegr, spokesman for Spartan Promotions, said last Friday he hopes to receive support for these promotions from the people of the western suburbs.

Jack Rennie (secretary of the Boxing Trainers' Association) will supervise the match making for the boxing and Mickey Tollis (former Australian Welterweight Champion) will be the referee.

On the first night an eight round bout, two four rounders and the exhibition will be held, plus two professional wrestling bouts of half an hour each. One to be a single match and the other will be a tag match.

The professional wrestling will be after the lighter weight club style seen on ATV.

All boxing on the opening night will be professional, but amateur bouts will be held on future dates.

This is the first time professional boxing has been promoted in Melbourne by anyone except Stadiums Ltd.

The ring will be situated in front of the stage at the Plaza

and view should be good from all parts of the theatre. Prices are reasonable and tickets will be on sale shortly for the opening night.

Most of the boys regularly seen at Festival Hall and on HSV7's "TV Ringside" will appear at Newport.

NIGHT CLASSES AT ALTONA NTH. TECH.

Altona North Technical School will this year provide tuition in commercial subjects for fifth form leaving students.

Also, tuition in motor mechanics will be given to fourth form pupils.

Evening classes for those wishing to learn typing and shorthand in addition to the previously established courses in mathematics, science and woodwork hobbies are available.

NEW GUN CLUB

The newly established Western Suburbs Gun Club will hold its first shoot on Saturday, February 11, at 1.30 p.m. off Fitzgerald Road, Laverton.

ANDERSON-HITCHCOCK MARRIAGE

Guest of honour at the marriage of Mr. and Mrs. Jeffrey Lawrence Anderson at the Yarraville Baptist Church last Saturday afternoon was the bride's grandmother, Mrs. S. Hitchcock, who travelled from Townsville to attend the wedding of her first grandchild.

The bride is Susan Bronwyn, eldest daughter of Mr. and Mrs. W. Hitchcock of Akuna Street, Altona.

The groom is the youngest son of Mr. and Mrs. C. Anderson of Yarraville.

A white crepe A-line gown trimmed with guipure lace on the bodice, sleeves and hem was worn by the bride. The frock had a long train and her finger tip triple tiered veil was held by a head piece of organza roses. She carried a pom pom posy of white carnations.

Bridesmaids were the bride's sister, Christine, and her young cousin, Wendy. Matron-of-honour Mas Mrs. J. Pillsbury. They each wore matching frocks of white crepe made on similar lines to the bride's frock. Their pom pom posies were made of cerise ribbons.

Best man was the groom's brother, Peter Anderson, and groomsmen were Graeme Henderson.

The bride's mother wore an matching organza coat and hat with navy accessories.

A beige suit with orange hat and gloves and bone accessories was worn by the bridegroom's mother.

Seventy guests attended the reception at Ardmillon House, Moonee Ponds.

The couple flew to Tasmania where they will tour for two weeks before returning to settle in Altona.

DRAMA AUDITIONS

Last Monday night new and old members of the Altona Drama Group participated in a play-reading at their new home, the Civic Hall.

The play was "Mystery at Greenfingers" by J. B. Priestly and either this play or another will be casted for production on Monday at 8 p.m.

Judging by the success of the reading the drama group has some promising newcomers.

Members who are not casted in this 3 Act play will be kept busy on many other projects.

Richard Ross, a local playwright, hopes to produce one of his 1 Act plays with those members not in the 3 Act play.

Some members are also involved in a passion play to be presented in Altona at Easter under supervision of the Altona Ministers Fraternal.

ENGAGEMENT

MULLAN — KRULZ
Mr. and Mrs. Mullan of 136 Millers Road, Altona North, have pleasure in announcing the engagement of their youngest daughter Phyllis, to Boris, youngest son of Mr. and Mrs. M. Krulz, of 85 May Street, Altona North.

ENGAGEMENT

BRUCE — CURNOW
On Saturday, February 4, Mr. and Mrs. R. H. Bruce of 245 Queen Street, Altona announce the engagement of their only daughter Gayle Morelle to Stephen the younger son of Mr. and Mrs. G. H. Curnow of 113 Blyth Street, Altona.

The occasion was celebrated with a gathering of over one hundred friends and relations at the home of Mr. and Mrs. Bruce.

APPROACHING MARRIAGE

The marriage of Sylvia Jacoba second daughter of Mr. and Mrs. C. P. Knoester of Heaths Road, Werribee, with Arie Hulbert, twin son of Mr. and Mrs. C. Jol, 5 Mount Street, Altona will take place at the Presbyterian Church, Werribee, next Saturday February 11, at 4 p.m.

Altona C.W.A. To Hold Meeting

Altona Branch C.W.A. will hold its first meeting for the year at the Homestead, Queen Street.

Members to come early and bring their lunch. Meeting will be at 1-30 p.m. Newcomers are welcome.

Altona Presbyterian Church Communion

Next Sunday morning at both the "Young Service" service at 9-15 a.m., and the 10-30 a.m. service, the Sacrament of Holy Communion will be celebrated. Members are also reminded that after both Services a brief Congregational meeting will be held.

ALTONA CAMERA CLUB DISPLAY

This week the Camera Club is holding its first public display of work by members. A number of black and white prints are now on view within the library at 123 Queen Street.

These prints all have as their basis a scene of Altona since this display is also a competition sponsored by the Altona Shire Council.

During the week members of the Council will judge the prints and make awards to those of sufficient merit.

To present a worthwhile display a lot of hard work has gone into this exhibition, each print having been processed from beginning to end by the club member entering it.

The club is pleased to be able to present the display and hopes residents gain as much pleasure in viewing as members have done in producing.

Next meeting of the club is on Friday, February 10, at 7-15 p.m. at 123 Queen Street.

A colour slide competition between members with the title "Holiday" will be held.

Anyone interested in joining is welcome to go along and spend a colourful evening.

Altona High School Mothers' Club

Altona High School Mother's Club will meet for the first time this year next Tuesday, February 14, at 1-30 p.m. at the school.

Mothers of new students are invited and will be most welcome.

St. Eanswythe's Young Wives

The first meeting for the year of St. Eanswythe's Young Wives Group will be preceded by a short service conducted by the Vicar in the church at 8 p.m. on February 14.

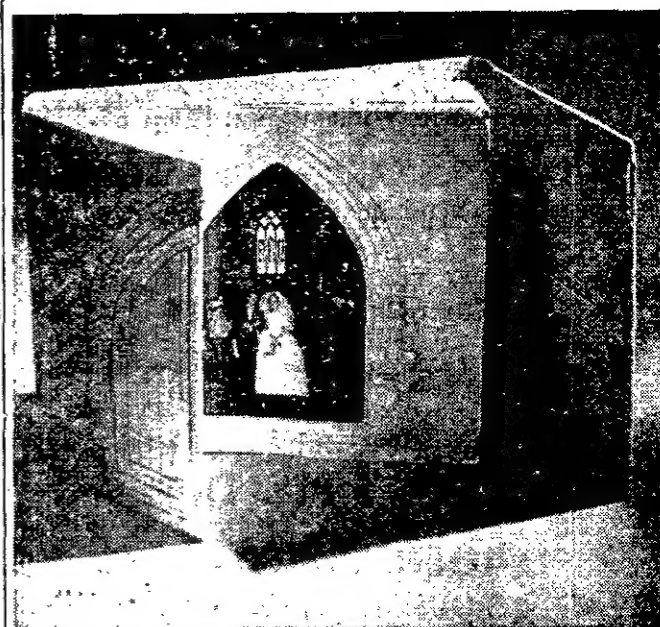

The meeting in the Church Hall will immediately follow the service.

Biggest Russian Show Yet Osipov—Moomba Attraction

In the tradition of the other great Russian shows which have played Australia—Omsk Siberian Dancers, the Georgian State Dancers, the Great Moscow Circus and last year, the Berioska Dancers—the big special Moomba attraction this year is the visit to Melbourne of the OSIPOV BALALAIKA RUSSIAN ORCHESTRA OF 65, together with stars of the BOLSHOI OPERA and RUSSIAN BALLET.

This company will play a season of 26 days at Her Majesty's Theatre, commencing on Friday, March 3, with performances nightly at 8.15 p.m. and matinees on Wednesdays, Saturdays and holidays at 2.15 p.m. The company of 73 brilliant singers, dancers and musicians will fly in their own Aeroflot Airline from Moscow and the performance in Melbourne on opening night will be the first time ever that a combination of Russian Balalaika Orchestra and stars of the Bolshoi Opera and Russian Ballet have combined on the one magnificent program.

The Osipov Balalaika Russian Orchestra has been performing for 40 years and bears the name of one of its directors, Mikolay Osipov, and introduces an array of instruments unfamiliar to us, such as the Domras, Guslis, Balalaika, Bayans, Domra-Piccolos, Accordians—known in Russia as the Russkaya garmonika—also Saratovskaya, and various horns including the Shepherd's horn.

The work of the orchestra can only be described as "MAGNIFICENT," encompassing instrumental and vocal works by Russian and West European composers, from the sweet throat-catching loveliness of folk songs such as "Evushka" to the stormy savagery of "Katerina Ismailova," which is Shostakovich at his best. The national or traditional songs and musical items include everything from the "Volga Boatman" to Rimsky Korsakov's "Flight of the Bumble Bee" with a truly staggering interpretation of "The Sabre Dance" by Khatchakurian. Also of course are included works by Musorgsky, Stravinsky, Prokofiev, Kriseler, Bizet, Benjamin Britten, Debussy, Sibelius, Leonard Bernstein and Ravel to name but a few.

This will be the first time that the fabulous Osipov appears with stars of the Bolshoi Opera and Russian Ballet together on the same stage. Usually, these artists are presented individually, but Gosconcert and the Directorate of the Bolshoi Company agreed to release their biggest stars for the three months Australasian tour, so that a combination of the cream of the Soviet headliners of music, song and dance could be presented at one and the same time to Australian theatre-lovers.

Conducting the magnificent Osipov Orchestra is their Artistic Director and Maestro, Victor Dubrovsky, one of the most highly rated musicians in Russia, whose guest performances in Paris, London and Vienna have won the acclaim of the world's leading music critics.

Associate Conductor is the well-known Russian composer, Victor Gnutov.

Soloists/stars of the Bolshoi Opera come to Australia following their tremendous personal success during the recent visit of the Company to La Scala, Milan. Ivan Petrov is considered by many to be the greatest bass since Chaliapin. His brilliant phrasing and his powerfully, resonant voice provide an unforgettable musical experience.

Valentina Levko, apart from her operatic achievements, is famous for her interpretations and her brilliant acting ability in the presentation of folk songs. A mezzo-soprano of rare beauty, she has toured throughout Europe and has sung opposite Ivan Petrov at La Scala as well as at the Bolshoi.

Nikolai Kondratjuk, a baritone of magnificent voice and of rare musicality and artistry, recently concluded two seasons at La Scala and is also a leading soloist at the Kiev Opera.

Ludmilla Zykina has often been compared to the idol of Paris, the fabulous Edith Piaf. In her voice. . . "One hears the soul of Russia, tempestuous but also lyrical. . . Her repertoire ranges from "pop" numbers such as "Midnight in Moscow" to such ballads as "La Vie en Rose" and character roles of the lighter operas.

Lily Novgorodova and Yuri Mironov were both trained at the Bolshoi School. Specialising in character dances of the great ballets, they are stars in Great Britain and on the Continent, as well as in Latin America.

Anatoli Belyaev provides one of the highlights of the evening with his virtuoso playing of the ancient and unusual instrument, the Bayan.

Anatoli Vekshin is a soloist and the leader of the astonishing Vladimir Shepherds Horns, perhaps the most fascinating of all the unusual and unfamiliar instruments of the orchestra.

The season of this exciting company is presented by arrangement with Gosconcert Moscow and Eric Edgley, by Edgley & Dawe and J. C. Williamson Theatres Ltd. A special Gala Performance will be held on Wednesday, March 8, at 8.15 p.m. at which overseas and local Vice Regal and other dignitaries will attend and it will be known as the Moomba Gala Performance.

Immediately following the season of the Osipov Orchestra another very important overseas attraction will be presented at Her Majesty's Theatre when the great LUISILLO will be seen in the new spectacular FESTIVAL OF SPAIN with a huge company of Spanish dancers, singers and musicians. Festival of Spain is being imported in its entirety and will play at Her Majesty's Theatre for a limited season of 24 days commencing on Wednesday, April 5.

This production is described as heavenly intoxicating and features pulsating rhythms stirring spectacle with magnificent, colorful ensembles and all the holiday happiness of a glamorous Fiesta. Amongst the galaxy of stars coming with the great Luisillo from Spain is the enchanting LA CHANI whose flashing eyes and flashing limbs have caused her to be known throughout the Continent as the Gypsy Wildcat. A teenage descendant of the Romany Kings, La Chani is tempestuous, alluring, vivacious and one of the world's greatest fiery flamenco dancers.

After the Festival of Spain, Melbourne theatregoers will have the great pleasure of seeing Broadway's current smash hit dance musical "SWEET CHARITY" which is currently highly successful at Her Majesty's Theatre in Sydney, where its star, young, beautiful and vivacious Nancy Hayes has won the hearts of all.

"Time and Tide Waits For No Man"

Several young lads seeking parts off car wrecks lying on the beach beside Altona Sports Park succeeded in probably turning their own car into another wreck.

They drove along and parked their car (a 1930's model) on the beach.

Becoming engrossed in their fossicking, the lads failed to notice the incoming tide.

Last report was the sea water was lapping the flooring boards and was by no means at high tide level.

Bowling — News —

As pennant bowls ceased on December 17 until February 4, and the Australian Championships being held in Melbourne, plus myself being on the sick list, no bowling notes have appeared in the "Star," but I propose to bring you up to date with happenings in this issue.

The Altona green was used on January 4 and 5 for some of the Pairs in the Australian Championships also January 7 for the Singles. Many of the visiting bowlers had never been to Altona and some had not been here for many years.

Among the visitors were the Vice-President of Western Australian Association, the Vice-President of the South Australian, the President of the East Gippsland Association. Other bowlers were from Deniliquin, Albury, Ballarat, Geelong, Healsville and Metropolitan Clubs.

Some of the visitors were accompanied by their wives. Many of the visitors took the opportunity to see round the Shire, and were most impressed with the Working Men's Club, the Hospital, the Library, the Golf Club and the Shire Offices and in particular the Council Chamber.

The Bowling Club was in perfect condition. The greens were excellent and the surroundings were a picture with neatly cut hedges and a most attractive display of flowers. At the conclusion of the play at Altona the President of East Gippsland Association on behalf of all the visitors thanked the club and remarked that there had been nothing left to be desired.

The Ladies were complimented for the excellent meals provided during the championship games.

During these games a number of members acted as markers and the club President thanked them for their good work.

All members of the shire must be happy that some of the players in the Australian Bowling Carnival came to Altona to play.

May I say here that there are vacancies for both Members and Associates in the bowling club.

All members of the club and their friends are pleased to know that Mr. J. Whyte is home from hospital and is steadily recovering from his recent car accident.

With the start of Pennant Matches last Saturday the Altona club had two wins and two losses. The details are as follows:

Altona (1) defeated Aberfeldie (2) 116-93.

Whitmore, Mitchell, D. Nettleton, Monkhouse—33-21.

Blair, Hill, Watters, Malloy—33-21.

Grant, Inglis, Carton, Fisher—13-40.

Carr, Stephens, Russell, Mather—36-11.

Altona (2) lost to Ormond Park (2) 89-115.

Gischus, Probert, Phillips, McDonald—18-29.

McNeillage, Williams, Critchley, I. Douglas—28-32.

Webster, Nielsen, L. Cox, Flynn—24-24.

Miles, B. Harrison, Neal Watson—19-30.

Altona (3) defeated Werribee (5) 129-69.

G. Harris, H. Harris, Gore, Burke—40-15.

O'Donnell, J. Cox, Martin, Richardson—22-25.

Crowe, McMahon, Condon, Deegan—32-11.

Crofts, Andress, Bromley, Walsh—35-18.

Altona (4) lost to Coburg (4) 77-98.

Dutton, Marshall, Woodcock, Smith—25-22.

Pugsley, R. Sevier, Abberton, Ralph—14-21.

Kelly, Franks, Eyre, Pilcher—18-23.

and Frank Nielsen, the game was 31 up and started at approximately 10.15 a.m.

Frank Nielsen took the early lead and after three ends was 40. George then played steadily and after two more ends brought the score to 3-4. When three more ends were played George had taken the lead 7-5.

At nine ends they were level at 7-7. Frank then played really well and at the finish of seven ends had gained a lead of 5—the scores being Frank 15 and George nine. George then played a superb end and scored four to be down 14-13.

After five more ends, and with good play by Frank, the score went to 20-13, in favour of Frank. Six ends later Frank had increased his lead to 26-17. George did not give up and he played well to be down 27-25 at the 33rd end. He scored in the next end to make the score 27-26.

The 35th end saw the end of the game. George was holding shot, but Frank was past the jack with his first two. George put another good bowl down and was fighting back, but Frank did a magnificent bowl and he carried the jack back to his own, giving him three. George failed to improve with his last bowl and Frank drew another with his last and got four to make him 31 and the winner.

All who witnessed this game were thrilled with the wonderful match and on behalf of the president, all members and associates of the club congratulations are extended to the winner and also to the runner-up.

Next Saturday night there will be a social night at the club and it will be a farewell night to Barry Crowe, who will be going away for a time.

ALTONA HIGH STAFF FOR 1967

In addition to the head master 21 permanent teachers have been appointed to Altona High School for 1967.

These will be supplemented by nine temporary teachers, some of whom will be required to work only part-time. Of the temporary teachers four are teacher trained, one is partially trained, and the others have specialist qualifications enabling them to teach French, woodwork and art and to manage the school library.

These details of the staffing position at the school were forwarded at the end of January to Cr. J. J. Ginnifer, M.P., by the Minister of Education, the Hon. J. S. Bloomfield, M.P.

TABLE TENNIS NEWS

WINTER PENNANT 1967

Teams and players interested in playing in the Western Suburbs area during the Winter season, are invited to call at the Table Tennis Centre, Garden Street, Williamstown (65-6863) or write to the Secretary, Ron Arnott, 74 Poole Street, Deer Park (393-1663).

The competition starts in April, but team entries must be in, prior to this date.

B3 team (T. Adams, D. Jenkins, M. Sayers), also were strongly challenged by Altona (T. Vitale, F. Bouchier, H. Goellner) and just lasted out to win by 6/5, with Denis Jenkins their hero of the encounter.

LIFE SAVERS AT EDITHALE, JUNIOR BOYS QUALIFY FOR FINALS

The first elimination heats in the Royal Life Saving Society's Championships were held at Edithvale last Sunday and the Altona Junior Boys' Reel, Line and Resuscitation team qualified for the finals which will be held at Carrum on Sunday, March 5.

The two teams to qualify in this event were Altona and Williamstown. Both teams finished equal first with 10.70 points lost. This is the first time an Altona team has qualified in the first elimination heat and must give the boys great confidence of carrying off the pennant.

The Senior Boys' R.L. & R. team finished fifth and the Senior Girls' seventh and both could qualify in one of the next two elimination heats which will be held at South Melbourne on Sunday and Bon Beach on February 19.

EDITHVALE'S GOLDEN JUBILEE

Thirteen clubs took part in the march past in which Altona finished fourth, just out of the points.

Welcoming the distinguished guests, visitors and competitors the president of the Edithvale Club, the ubiquitous Mr. Alf Gray, said that together with Chelsea, his club was celebrating its 50th year of life saving. Edithvale Life Savers had rescued one person from drowning last week, while during the past fortnight Chelsea made six rescues. Five had been successful but the sixth had succumbed to a heart attack. Mr. Gray said he mentioned these facts to show what a valuable service the life saving clubs were giving to the public. He thanked all clubs for attending the carnival and gave a special wel-

come to the Victoria Police Life Saving Club which has recently been re-formed.

The Minister of Transport, the Hon. E. R. Meagher, M.L.A., also spoke on the service to the community given by life savers and said it augured well for the future of Australia to see so many young people giving their time voluntarily to such a worthwhile cause.

Officially opening the carnival, the Mayor of Chelsea, Cr. Mrs. Barber, congratulated all the clubs on such a fine display in the march past. She also spoke of the service given by life savers which helped to reduce the toll of tragedies and accidents on the beaches.

OTHER SUCCESSES

Competition was really keen at Edithvale and the only other successes gained by Altona were third placing in the Girls' Single Hand Rescue by Sandra Butters and Aileen Hudson, and third placing in the Men's Relay. Many more points could be gained in beach events if members would put in more practice.

Prior to Sunday's carnival Altona held fourth position in the

A Grade Section with 54 points, with South Melbourne in fifth position with 47.

The good weather at the weekend attracted large crowds to the Altona beach and the first-aid officers were kept busy.

Most cases were slight cuts and abrasions but two required medical attention. One was a badly lacerated hand and the other was a cut head caused by someone jumping from the pier on to the unfortunate victim below.

LEARN TO SWIM CLASSES

The Learn to Swim Classes have been very well attended and already dozens of certificates have been gained for 25, 50, 75 and 100 yard swims.

CLUB CHAMPIONSHIPS

A reminder that the club championships will be held on Saturday, February 18.

HOCKEY CLUB ANNUAL MEETING

The annual meeting of the Altona Hockey Club will be held on Wednesday, February 22, at the Homestead, 128 Queen Street, Altona.

All members are requested to attend at 8 p.m.

LEVEL CROSSING TO BE CLOSED

Brophy's Level Crossing at Werribee, is to be closed. The Victorian Railways Commissioners have recommended to the Governor in Council that the crossing be closed, consequent upon the installation of boom barriers at the level crossing at Werribee Street and the provision of an occupation crossing near Brophy's Crossing.

Brophy's Crossing is less than 500 yards away from the one at Werribee Street and carries a relatively small amount of vehicular traffic, which could be diverted to the Werribee Street crossing without difficulty. The booms at Werribee Street will allow a freer road traffic flow and gives added safety.

Brophy's Crossing is used by the Melbourne and Metropolitan Board of Works for the movement of about 40,000 head of sheep on foot each year, and in recognition of this the Railways will provide an occupation crossing for this traffic.

Grants For St. Eanswythe's Club

Grants from the Youth Organisation Assistance Fund have been approved for St. Eanswythe's Boys' Club, Altona, and the Laverton Queen of Peace Youth Club.

Advice of the successful applications was received from Cr. J. J. Giffner, M.P.

St. Eanswythe's Boys' Club will receive \$50 for equipment and the Queen of Peace Youth Club \$100 for equipment and \$25 towards cost of maintenance.

LADIES BOWLING

Winners of the social bowls last Thursday (pairs were the game of the day) resulted in a win for H. Condon and R. Fisher (s).

Birthday greetings this week to E. Thomas, G. Russell, M. Mills, J. Shaw and A. Newton. On Tuesday last all pennant games were abandoned owing to the extreme heat.

With only one game remaining to be played on Thursday, February 9, No. 3 team is assured of a place in the finals which will be played on Wednesday, Thursday and Friday of next week. We all wish them well.

The ROSTER for Saturday, February 11 is L. Walsh, D. Gadsen, A. Roberts, R. Shaw and L. Cox.

LOCAL BOY DOES WELL IN TENNIS

Michael Kelly (16 years) did very well in tournaments during the school holidays by getting good scores against the older opposing number one and two players in the triangular interstate competition.

He reached the semi-final of the Under 17 Doubles at Kooyong and was defeated in the singles semi-final by the winner 10-8.

He also won the Under 17 Doubles at Frankston and Ringwood.

Gregory Findlay (13 years) reached the quarter final of the Under 14 Singles at Kooyong and gained valuable experience in other tournaments.

BULBS FOR A SPRING FLOWER SHOW

It is an accepted fact, that in bulbs, we have a means of bringing a beautiful show to any home garden at a minimum expense.

Therefore, people who feel they haven't the time or inclination for gardening, still find the time to plant a few bulbs.

The more popular of these being daffodils, freesias, hyacinths, tulips and jonquils.

By planting these bulbs during February and March you will find that by late winter and early spring the home garden can turn into a really good show of colour.

You don't need to know a great deal of the cultivation of bulbs as they are so easy.

Just a few hints to remember for best results. First of all, the soil needs to be in a good friable condition with a small portion of rotted manure or compost and with all bulbs the best ingredient is a little bone dust. Bulbs resent coming into contact with concentrated fertilisers so it is advisable to make the hole deep enough to be able to cover the manure with a layer of soil. The roots of the bulb will soon move out in search of the food.

It is best to plant bulbs in groups for the most attractive show.

The depth of the bulb is an important feature. It would be much better to plant a bit deeper as if they are just slightly under the surface the plants tend to grow more leaves, and the flowers are weak and lose their shape. A good rule should be to plant all bulbs twice as deep as the size of the bulb.

There are some pretty miniature daffodils, less than half the usual height and good for planting in the rock garden. Among these is the triandrus, or angel's tears, or the very popular bulbocodium, commonly known as the hoop petticoat.

All daffodils may be grown in pots or bowls of good rich soil, with a mixture of peat moss.

The best of the daffodils for picking and show is the King Alfred, with the large deep yellow trumpet flower.

Other bulbs to try are grape hyacinths, snow drops, scilla and lachenalias.

Always cut the flowers early in the morning and they will last much longer in the house.

A SCHOOL OF FAITH

It's amazing how many of us would actually like to go back to school to learn things we thought lightly about as kids.

Well, members of the Church of England in Altona and any other inquirers have their opportunity during the coming season of Lent.

A School of Faith will be conducted on five nights during Lent at St. Eanswythe's Church of England.

- 1.—"What a funny world to be alive in!" 8.15 p.m., February 8 (Ash Wednesday).
- 2.—"What is Man?" 8 p.m., February 16.
- 3.—"This is Jesus." 8 p.m., February 23.
- 4.—"I'm C. of E." 8 p.m., March 9.
- 5.—"The Bible Says . . ." 8 p.m., March 16.

On Ash Wednesday the study will be preceded by an evening Holy Communion at 7.30 p.m. and each other study will be preceded by Evensong at 7.30 p.m.

CONFIRMATION CLASSES AT ST. EANSWYTHE'S

Classes for teenage candidates for Confirmation will begin at St. Eanswythe's Church of England at 10.30 a.m. on Sunday, February 5, after attendance at the 9.30 morning service. The

Confirmation will be conducted by His Grace, the Archbishop of Melbourne, the Most Rev'd Frank Woods, at 3 p.m. on the afternoon of Trinity Sunday, May 21. Candidates should be 13-years-old, or at least nearer 13 than 12 at the date of Confirmation. It will be the first visit of His Grace for Confirmation since 1961.

SUNDAY SCHOOL AT ST. EANSWYTHE'S

Sunday School will resume at St. Eanswythe's Church of England on Sunday, February 12, at 9.30 a.m. An extra class, Grade 5, will be taught this year.

All children are to come to the church hall for Sunday School. Children of Grade 6 and over attend the Sunday morning service. All children of four years old and over are welcome.

Superintendent is Mr. Neil Patterson, 4 Curtin Court (65-8266). Secretary is Mrs. Robin Lawley, 7 Bent Street (398-1005).

Darts Annual Meeting

A well-earned respite after a solid season comes to an end this month for the Western Suburbs Darts Association when club activities commence with the Fourth Annual General Meeting at the Altona R.S.L. Hall on Tuesday, February 21, at 8 p.m., to which all interested persons are invited to attend.

APPLICATIONS FOR AFFILIATION

Clubs desiring to affiliate for the 1967 season are to submit their application on or before Tuesday, February 21, 1967. No application will be considered after this date.

A cordial invitation is extended to new clubs who have been formed during the break and set out herewith are the details of affiliation—

- Eight players to a team;
- \$5 affiliation per team;
- \$5 team bond (refunded at the end of the season);
- \$1.50 players registration fee;
- 30c match fee per selected player per week.

NOTE: Clubs may register as many players and enter as many teams as they so desire.

Clubs must be able to provide a suitable home ground.

Clubs desiring to apply for affiliation forms are requested to contact the secretary, R. Rose, Box 16, P.O. Altona, W.18, or telephone 68-0214 any evening after 5.30 p.m.

NOMINATIONS FOR OFFICE-BEARERS

Nominations for the following positions are called for (the retiring member is in brackets)—

PRESIDENT (R. Harvey), VICE-PRESIDENT (N. Jessup, B. Draper), SECRETARY (R. Rose), TREASURER (E. Atkins), ASSISTANT SECRETARY (K. Styling), ASSISTANT TREASURER (new office), REGISTRATION SECRETARY (R. Rose), CONTEST DIRECTOR (R. Rose), PRESS OFFICER (R. Rose), SOCIAL SECRETARY (new office).

R. Rose and E. Atkins are not standing for re-election.

LOCAL PLAYERS MAKE STATE TEAM

Once again local players have been successful in making the State team. They are R. Bailey (Seaholme), M. Ellis (Seaholme), T. Dixon (Exchange). Two emergencies, H. Rule (Altona R.S.L. and K. Dean (Bristol), were chosen.

The State team will go to Adelaide at Easter for the 4th Australasian Darts Championships.

R. Rose and E. Atkins have been elected delegates.

SUMMER COMPETITION

The Summer Competition is now entering its final stages with only one more home and home game to play before the final series.

The premiership ladder as at January 1 was Bristol Hotel 18 points (217.29%), Pioneer Hotel 18 (150.87), Sunshine R.S.L. 12 (83.33), Rifle Club Hotel 10 (88.15), Ashley Hotel No. 1 8 (110.34), Exchange Hotel 4 (62.06), Ashley Hotel No. 2 2 (56.95).

CHALLENGE MATCH

Mountain Dart League has issued a challenge to all leagues to help raise money for their welfare fund. They have been unfortunate in having three of their players pass away within the past two months and all the money raised during these challenge matches will go to assist the families of the deceased players.

The first match will be against Western Suburbs at Belgrave Football Ground on Sunday, February 26, commencing at 1 p.m. Entry fee to the ground for all male players is \$1. The kitchen will be available for the ladies to make tea, etc., and it is hoped to make this day a picnic affair.

All intending players are requested to submit their names to the secretary at the annual meeting.

SUMS OF MONEY FOUND

Quite large sums of money are in two of the three ladies' purses being held at Altona Police Station.

Losers are asked to call at the station in Blyth Street.

3rd Altona Scouts

The Corroboree held at Woodhouse, South Australia, was well represented by 3rd Altona. The boys who attended were Patrol Leaders Hans Dusink, Neil Frizell and Seconder David Davis.

The boys reported back that it was a most satisfactory camp, thanks to the Scouters of their Troop. All three boys returned with a Colonel Light Award—this was a special badge gained on "Discovery."

Time was taken up with a wide variety of activities as well as normal camp duties.

It was noted with interest that in their opinion the best day of the camp by far was "Guide Day." We wonder why?

The Scouts were so satisfied with the camp that they have started saving already toward the Australian Jamboree at Jindalee, Queensland in the coming Christmas holidays.

The knowledge, experience and fellowship gained by these boys will we feel surely benefit this Group and perhaps encourage other Scouts to accept the challenge of such an adventure in the future.

Moomba Dancing Championships

The ardent followers of competitive ballroom dancing who form a buzz of our community continue to following dancing championships where and when ever they are staged.

Dancers today regard ballroom dancing as their social activity and their sporting interests. The many young people who are tuning to competitive ballroom dancing are attracted by the graceful movements of the modern oldtime and Latin American dances.

One event they eagerly look forward to is the Melbourne Moomba Festival Championships. This well-established yearly event is the first attraction of the championships year. It has proved to be an excellent spectacle and our local ranks swell by the influx of interstate dancers and those from many country centres. All regard Moomba as a coveted title to win. The event is recognised by the Official Ballroom Dancing Board which is the Australian section of I.C.B.D. (the International Ballroom Dancing Council).

At this year's Moomba Dance attraction for young girls under Championship Show there is an age of 16 years, these girls being too young to enter for the Moomba Queen Quest, will have a quest named "Miss Teena of the Moomba Ballroom Show." Most attractive prizes have been donated for the winning girl which will also include an Easter holiday in Sydney as guests of The Dancers Club.

Mr. Bon Gibbins, as organiser to the Moomba Championships, will be glad to hear from any girls 16 years and younger for this quest and entries to the Ballroom Dancing Championships.

And any competitors from the various dancing schools in suburban areas are urged to contact him.

MOVE OUT FRONT WITH

Mustang-bred

FALCON

THE ONLY THING IT SHARES WITH OTHER CARS IS THE ROAD!

You've never seen a car like the Falcon 500. You've never driven a car like the Falcon 500.

First, there are the lithe, lean lines inspired by the fabulous Mustang!

Inside there's the roomiest and most luxurious interior of any car in its price range, with insulating and sound deadening materials completely surrounding the passenger compartment for a ride as silent as they come. Plus a host of safety features including a fully padded dash, windscreen washers and seat-belts.

Falcon 500's handling is remarkable because it's the first car to bring you the extra

stability of Wide Stance wheel design — a track that's far wider and a wheelbase that's far longer than have ever been engineered into a car near Falcon's price. Add to this more precise steering, extra-low-profile tyres, and chassis-type Torque-Box construction and you've a ride that's absolutely unbeatable.

As for power, the standard engine is now an even more responsive "Pursuit 170". Or you can choose between the 121 h.p. "Super Pursuit 200" or the big new 200 h.p. "Mustang 289" V8.

Discover the new look, the new luxury and the new power and performance of Mustang-bred Falcon 500 today!

Cricket Round-up

A GRADE TURF

WILLIAMSTOWN R.S.L. v. ALTONA

Williamstown R.S.L. resumed their second innings at Fearon Reserve, Williamstown, last Saturday, one run behind Altona's declaration at 6/78.

In near century temperatures the bowlers found the going very tough. However, Terry Gray and Lance Cumming combined to have the first three batsmen out for 24 runs.

When Wright and Coffey came together they slaughtered the bowling to run up an 80 run partnership until Gray dismissed Wright for 55.

After gaining this wicket Gray continued to dismiss the following batsmen and just prior to tea the home side declared at 8/143, leaving Altona 142 runs to make in 110 minutes.

Altona's top batsmen got away to a bad start, finding slow left hander Jim Selvidge hard to counter. With the score at 4/24 Bill Douglas and Cumming got going to make the score 5/51 when Douglas was trapped leg before wicket to Selvidge.

Graham Hosken joined Cumming and endeavoured to retrieve the situation, but both found the bowling very tight and the fielding smart.

After adding 43 runs Hosken was dismissed with the total at 6/94.

Terry Gray replaced Hosken and after adding five runs Cumming was caught at 7/99.

Gray followed shortly after, and the score was 8/105.

With time and batsmen running out and Altona desperately needing an outright victory to claim a place in the final four, lower order batsmen Noel Michael and Ron McCullagh thrashed the bowling to score 38 runs off the final three overs, ensuring an outright victory for Altona.

This final effort was nothing short of brilliant and revealed the depth of the batting in the side. If the players are prepared to put their heads down they will go well.

Terry Gray's effort of 7/43 deserves a special mention as this was attained in very hot conditions.

Next Saturday Altona meet Newport Footballers at Altona and another outright is needed to ensure a certain place in the final four.

ALTONA v. NEWPORT BASEBALLERS

Newport Baseballers defeated Altona outright by 13 runs, after leading by one run on the first innings in a very close and even game.

Altona failed badly in the field on Saturday. Catches were dropped all around the ground, allowing the Baseballers to amass 91 runs.

This proved too many for Altona. The only Altona batsman to show any enterprise was Mick Oram, who attacked the bowling from the first ball he received.

C GRADE TURF

ALTONA v. ALTONA NORTH

Altona started the second day's play with a lead of 52 runs and were able to keep the pressure on Altona North with some very good bowling by Darrel Goucher and Dick Conradi, backed up by some keen fielding.

On a day and pitch that was all in favour of the batsmen it called for a sustained effort from both bowlers and fieldsmen.

Darrel Goucher in particular kept up a good length throughout the innings and was able to beat the bat on many occasions to clean bowl most of his victims.

Altona's fielding showed some improvement but still falls short of the standard required to win a premiership. It will take a lot of work and concentration from all players in the next two matches to lift the standard.

Young Kevin Flett is not only proving himself a more than useful opening bat, but also a handy bowler, as in both innings he came on for just a couple of balls to break up the last wicket partnership and has figures of 1/0 in both innings.

Altona play Spotswood Imps. next match, who are second, and then top team Gellibrand in the last match.

Altona, being third, must at least win both these matches on the first innings or one of them outright to stay in the four.

These two matches should be a good warm up for the finals.

BUSY WEEKEND AT YACHT CLUB

Last weekend was a free one at Altona Yacht Club as no racing was scheduled and the Hor-net Association used the opportunity to introduce interested persons into the sailing of hornets.

Crews swapped around to give newcomers the chance to try their hand at crewing.

A series of one lap races were organised and all went well at first as the wind was a light northerly, but during the second race it changed suddenly to a hard southerly, upsetting boats and causing quite a bit of havoc.

The local yacht, "Laphil," went to the aid of some craft and changed crews in mid-stream.

All boats managed to get in safely.

It appeared afterwards that the newcomers enthusiasm was not dampened even if they did get a little wet, as the thrill of sailing a hornet makes up for this.

Heron were very active over the weekend. They held teams races on Sunday against Black Rock and Elwood heron fleets at Altona.

Altona won four of the five heats held.

The Hor-net Association picture night held last Sunday was a great success with quite a good roll up. The movie film and the slides were excellently shown and comments were interesting and humorous.

So a good weekend was had by all.

Quiz From "Facts"

Following are quiz items taken from the current issue of "FACTS," a publication of the Institute of Public Affairs.

Q.—How many oil refineries are there in Australia?

A.—Ten. Extremely complex and expensive to install, each refinery cost over \$50,000,000.

Q.—Which country has taken the most migrants since the War?

A.—The United States with over 5,000,000; Canada is second with 2,700,000—closely followed by Australia with 2,600,000. However, in proportion to total population Australian leads easily with 22%, followed by Canada 13% and United States 3%.

Q.—In 1965-66 Australia imported goods of a total value of \$2,939,000,000. Where do most of our imports come from?

A.—Nth. America, \$811,000,000; United Kingdom, \$759,000,000; Common Market, \$370,000,000; Japan, \$281,000,000.

Q.—In practically all countries, prices keep going up—in some much faster than in others. Australia is about average. Why does the average price level tend to rise year after year?

A.—The causes can be reduced mainly to two—

1.—The natural human desire of all of us is for more money in the pay envelope. This tends to push up incomes faster than production, resulting in higher costs per article.

2.—The tendency for governments and the people they represent to endeavour to push ahead with the development of the economy at a faster pace than the resources (labour, materials and capital) that are available for thus purpose. This leads to higher taxes, adding to costs, and also excess demand which pushes up prices.

"Fugitive" Son of Ziegfeld Beauty

American actor David Janssen,
who has become famous for his
role as the "FUGITIVE" in the
popular TV series of that name
has been in show business all
his life.

He was only a year old when
he went on tour with his famous
mother, who was a Ziegfeld
beauty, and at the age of eight
he had already made his first
film.

After leaving school he joined
the army and when he returned
to civilian life two years later
he took up acting seriously and
landed dozens of small parts in
films. The late Dick Powell in-
troduced David to television
when he brought his radio series
"RICHARD DIAMOND" to the
screen and signed him to play
the leading role.

Today the "Fugitive" has
proved an even bigger success.
Janssen has appeared in many
films with Jeffrey Hunter and he
has made countless appearances
on TV as a guest artist.

Wanted, Dead or Alive, Actors

If you have an interest in
drama and you would like to act,
go along to the Civic Hall any
Monday night at 8 p.m. and join
the ALTONA DRAMA GROUP.

The Group commenced its new
year with an audition night last
Monday when members casted
for "MYSTERY OF GREEN-
FINGERS" by J. B. Priestly.

If you have no interest in act-
ing there is also plenty of scope
for such activities as set-design-
ing, lighting, sound effects, dir-

ecting, play selecting, backstage
work, wardrobe maintenance,
etc.

Students will find experienced
members of the group only too
happy to help them understand
a play they are doing at school.
So if you need a night out or
you'd like to make a few ac-
quaintances go along to the hall
in Civic Parade on Monday.

DISC DIARY

Jeff St. John and The Id will
be releasing their first LP in
about three months time. Their
hit, "BIG TIME OPERATOR,"
is still selling well and it looks
as if they're going to assume
the vacant place left by The
Easybeats.

Jeff looks tall on TV but only
because he sits on a stool. He's
paralyzed in both legs and natu-
rally he can't get around with-
out crutches. His other com-
panions are his sunglasses which
he wears all the time.

At "The Catcher" last Satur-
day night poor Jeff had trouble
getting off the high stage and
consequently he had to slide
down a beam and in doing so he
nearly bowled local long-hair
Gerry McCutcheon over.

Also appearing at "The
Catcher" in a star-studded line
up were New Zealand group Max
Merritt and The Meteors. Max
and the boys really slayed the
crowd and left their mark in
Melbourne.

The Royal Guardsmen's re-
cording of "SNOOPY VERSUS
THE RED BARON" seems to
have sold out before release.

Copies have been ordered all
over Melbourne and even Nev's
Variety Bar is still waiting for
stock.

On radio this number is dubbed
with a whistle that covers up

an adjective that wasn't passed
by the Broadcasting Control
Board for obvious reasons.

However, the original record-
ing on the Festival label will be
available at most record bars.

Johnny Young's manager must
be alright for Johnny releases
one hit after another.

"KISS MEN NOW" is doing
quite well in the charts and its
released by Johnny's recording
agents, Clarion.

ing wants to buy these long gone

transaction.

ALSO, member No. 202 re-
quires a windshield and many

SQUASH HINTS

(Supplied by the Altona Squash
Club.)

Three golden rules for hitting
the squash ball are—

1. Watch the ball right on to
your racket.
2. Keep a comfortable hitting

3. If you can, let the ball bounce
on the floor before striking it—
do so.

FIRE DANGERS

The easiest thing in the world to do is to flip a match from your fingers after you've lit a cigarette. Don't! Don't flip until you're sure the match is out.

Don't flip a cigarette butt away; stub it out and grind it into the earth.

One live match, one unstubbed cigarette butt flipped into dry grass, and you could have a bush fire on your hands—and on your conscience.

Help to keep your State clean of grass and bush fires this summer.

Bush fire prevention is YOUR problem.

SAVE LIVES ON THE ROAD

OPPORTUNITY FOR STATE TRANSPORT MINISTERS

If the State Ministers of Transport at their meeting in Canberra this month decide to make compulsory the use of simple diagonal seat belts in all motor vehicles some 2000 lives might be saved in Australia each year.

This is the opinion of the managing director for Australia of Combined Insurance Company of America, Mr. R. A. Freimann.

"Tests in the United States, the United Kingdom and Sweden indicate that the use of diagonal seat belts leads to a reduction in the number of deaths and serious injuries of between 70 and 80 per cent," Mr. Freimann said.

"However," he added, "probably the most significant test of seat belts made anywhere in the world has been carried out by the Snowy Mountains Hydro-Electric Authority.

"In 1961 the Authority decided to fix seat belts to all of its 600 road vehicles, making their use compulsory and applying severe penalties to anyone who failed to use them.

"The result has been a reduction in the number of deaths and serious injuries by some 89 per cent."

Mr. Freimann said that the Snowy Mountains Authority vehicles travel some 6,000,000 miles annually, mainly over the

STANDARDS OF LIVING

People are always asking the question: how do standards of living compare in America, Australia, Britain, Sweden, Japan, Russia and other countries?

The standard of living covers the satisfaction of all kinds of material needs and wants from food and clothing to hair-cuts and train fares.

In an endeavour to compare standards of living, United Nations' economists have compiled tables ranking countries by income per head. These tables show the United States way out in front, Australia in the top 10 and Asian countries, such as India, at the bottom. But these comparisons may put the United States too far ahead because official exchange rates tend to over-value the American dollar.

With the aid of a computer, two British economists recently arrived at another ranking based on a long list of non-monetary indicators, including telephones and cars per head, letters posted, cement produced, meat consumed, infant deaths per thousand and so on. The U.S. was still on top, but not by nearly as great a margin as shown by the United Nations' figures of income per head.

winding mountain roads which are often subject to snow and ice for four or five months a year.

"The State Transport Ministers must be guided by this remarkably practical and significant experiment by an Australian governmental authority," Mr. Freimann said.

"They must accept the lesson it teaches. Two-thirds of the lives now lost each year on Australia's roads might be saved by making the use of diagonal seat belts compulsory."
